Attn: Office of Petitions

Sir:

Applicant submits herewith a Petition to correct various inadvertent typographical errors discovered in the above-identified issued patent. More specifically, various spelling mistakes have been corrected, e.g., in claim 1, the word "cyclophosamide" has been corrected to recite the well-known compound - cyclophosphamide -, which correct spelling is fully supported in the specification of this patent (see, e.g., U.S. Patent 6,977, 072 B2, column 5, line 13). In addition, in claim 7, the symbol of the IFN (interferon) recited has been corrected to recite the correct IFN $\gamma$  (gamma) symbol. Again, this correction is fully supported by the specification (see, e.g., U.S. Patent 6,977, 072 B2, column 15, lines 12 and in Table II at column 15, line 30).
